- 2) Stimulating and deepening the securities sector and raise society awareness regarding the importance of investment in securities sector.**
- 3) Create the enabling environment for the work and growth of the mortgage finance sector.**
- 4) Develop services provided by financial leasing sector and raise its contribution to the economy.**
- 5) Prepare internal organizing developments that contributes to achieving PCMA goals.**

Strategic goals and related sub-goals

First strategic goal
Strengthening Insurance sector through restructuring and organizing its status in a manner that contributes to the sector's stabilization and growth.
Sub-goals
1. Develop the legal and regulatory frameworks that govern the insurance sector in Palestine.
2. Create the enabling environment for the stabilization and growth of the insurance sector and in cooperation with ministries, governmental bodies and related parties.
3. Handling of persistent issues in the insurance sector in order to boost efficiency and depth of the sector.
4. Enhance the awareness and knowledge for different society segments of the Insurance sector
Second strategic goal
Stimulating and deepening the securities sector and raise society awareness regarding the importance of investment in securities sector.
Sub-goals
1. Develop the legal and regulatory frameworks that govern the securities sector in Palestine.
2. Coordinate with Palestine Monetary Authority and Ministry of National Economy in order to overcome the constraints impeding the growth of the securities sector.
3. Raise depth and efficiency of the securities sector and boost its liquidity.
4. Enhance the awareness and knowledge for different society segments of the securities sector
Third strategic goal
Create the enabling environment for the work and growth of the mortgage finance sector.
Sub-goals
1. Develop the legal and regulatory frameworks that govern the mortgage finance sector in Palestine.
2. Coordinate with ministries, governmental bodies and related parties in order to organize and develop the mortgage financial sector.
3. Raise the depth, efficiency and activities of the mortgage finance sector and boost its liquidity.
4. Enhance the awareness and knowledge for different society segments of the mortgage finance sector as well as the importance of its contribution to the economic cycle.

Fourth strategic goal
Develop services provided by financial leasing sector and raise its contribution to the economy.
Sub-goals
1. Develop the legal and regulatory frameworks that govern the financial leasing sector in Palestine.
2. Coordinate with ministries, governmental bodies and related parties in order to overcome the constraints impeding the development and growth of the financial leasing sector.
3. Raise the efficiency and activities of financial leasing sector and facilitate its access to financing resources.
4. Enhance the awareness and knowledge for different society segments of the importance of the financial leasing sector.

Fifth strategic goal
Prepare internal organizing developments that contributes to achieving PCMA goals.
Sub-goals
1. Build a comprehensive plan for work continuity and disaster management.
2. Complete the automation of administrative and surveillance processes.
3. Review and update PCMA internal regulatory bylaws in order to cope with the needs and developments of its work environment.
4. Capacity building for PCMA staff to keep up with the developments and professional practices related to performing the tasks assigned to them.
5. Provide proper building conforming to PCMA professional and technical nature.
6. Enhance PCMA presence on a local, regional and international level.
